# Productions that engage

As the leader in event production, there's nothing we haven't seen, and no dream is out of reach. Our production teams are the best in the industry at turning whiteboard ideas into one-of-a-kind event experiences. So you can imagine bigger than ever before and we can help you set the stage to get there.

Every aspect of your event, from the staging and lighting down to the furniture in your huddle rooms can be customized to your unique needs. Whether it's a hybrid, virtual, or in-person event, Encore is committed to providing you with a gathering that will connect and engage attendees in new and imaginative ways.

- Staging & Production Design
- Concert Production & Touring
- Technical Theatre Support
- Presentation Stages
- Projection Mapping

# Staging services

The stage is the focal point of your event. Our wide range of staging options including hybrid, immerse participants and build excitement. Specialty services like tour management and technical theatre support, assist in every step of production, planning, and execution.

# Scenic and decor

The right setting goes a long way in making a strong first impression. With all of our scenic and specialty furniture options to choose from, our stylists help you and your team customize the perfect environment to achieve your goals.
